

10-DAY PROGRAM

GLA GROUP TRAVEL SAMPLE ITINERARY

EXAMPLE ITINERARY ONLY: DURATION, DATES, COMMUNITY SERVICE HOURS AND LEARNING OBJECTIVES ARE CUSTOMIZABLE

TANZANIA: Heart & Soul of Kilimanjaro

Explore the myth and magic of Tanzania, a country of abundant wildlife, diverse ethnic groups, and peaceful history

OVERVIEW

On this program, you will constantly be greeted with the characteristic warmth of Tanzanians, and the raw beauty of East Africa. Animals abound, and landscapes are colorful and diverse. But more than anything else, the Tanzanian people will make your visit memorable, whether you're teaching a class full of laughing, energetic children, embarking on a wild safari guided by locals or chatting with community members you meet along the way. Learn about the efforts of local organizations that are passionate about gender equality and committed to making education accessible to girls in the community.

PROGRAM HIGHLIGHTS:

- ★ Teach English in local classrooms
- ★ Volunteer on projects at a village primary school
- ★ See zebras, lions, rhinos, and more on an incredible African safari
- ★ Hike to a waterfall near Mount Kilimanjaro
- ★ Learn African dance, percussion, and batik cloth dyeing

THIS ITINERARY INCLUDES

- **10 days / 9 nights of accommodation**
- 20 community service hours
- 1 free chaperone per 10 students
- 2 expert GLA staff members
- Medical & evacuation insurance
- 12-24 students (price is per student)

SPOTLIGHT ON COMMUNITY SERVICE

While Tanzania has achieved nearly universal access to primary education, challenges continue to bar many Tanzanian children from receiving education. Critical issues include no public funding past primary school, dilapidated physical infrastructure, and social perceptions that demote education's importance. You can address these by refurbishing school facilities and teaching English in a classroom setting. The genuine connection and impact on these local students will last a lifetime.

SAMPLE ITINERARY: DAILY BREAKDOWN

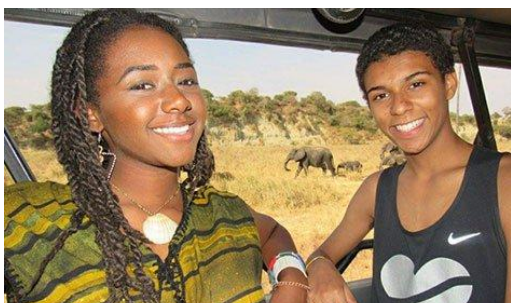

Actual schedule of activities can be tailored to your group's needs. The information detailed here is typical for what you can expect to experience; however, service work and activities vary depending upon the needs of our local community partners, various celebrations and customs, and the weather.

DAY 1: JAMBO! LET'S GO!

Welcome to Africa! On the first day of the program, you'll fly into Kilimanjaro International Airport in Tanzania. GLA staff will be waiting to greet you! We'll drive together to Home Base, located about 60 minutes away from the airport.

After getting settled in and resting from travel, our group will get together and begin a brief orientation and team-building activities. We'll take a crash course in Swahili and walk through the village to practice our new (very basic!) language skills with friendly neighbors. Start to become familiar with your home away from home.

DAY 2: DISCOVER YOUR COMMUNITY

Wake up to breakfast made by your Home Base staff, with whom you'll become close over the next few weeks. Today, you'll spend the afternoon with a "host family" in the neighborhood, immersing yourself in Tanzanian culture as you get to know the individuals who make up the family. We'll also visit a marketplace, where you can purchase fabric made by hand into custom clothing and bags.

DAYS 3-5: SERVICE

Service begins! Our group will break into teams to begin work at a local school. The students here have boundless energy and a deep willingness to learn, making your job fun... and demanding! GLA teams will rotate between tasks, including teaching primary-level English and doing hands-on projects such as refurbishing classrooms and school walkways. In the afternoons, we'll meet with inspiring leaders from the area who have established their own grassroots projects and learn about their stories and impact on the region. In the evenings, we'll have sessions on leadership, global issues discussions, and free time to relax and reflect. If you're teaching, you might also use extra hours in the evening to develop lesson plans for the students in your class.

DAY 6-8: SAFARI

We'll rise extra early, pick up some snacks for our journey, and head out for a full-day safari drive. Visit fascinating and one-of-a-kind spots such as Ngorongoro Crater (a World Heritage Site), where you can spot lions, elephants, zebras and buffalo!

DAY 9: COMMUNITY & Mt. KILIMANJARO & CELEBRATION

In the afternoons, we'll dive deeper into Tanzanian culture: Visit an organic coffee plantation and learn, from start to finish, how coffee is harvested and produced on small-scale farms. Evenings will feature guest speakers who will discuss topics such as gender roles, public health, education and more.

Spend the day hiking near the base of Mount Kilimanjaro, the world's highest free-standing mountain. It may stand on the equator, but with its magnificent elevation, the summit is snow-covered yearly. During the hike, we'll stop at cascading waterfalls. At the entrance of Kilimanjaro park, wish trekkers good luck and fair weather at a main trailhead as they begin their expeditions to the peak.

Celebrate the impact you've achieved, lessons learned, and friendships forged with a special farewell dinner and bonfire at Home Base. Fourteen-day students who purchased fabrics earlier in the program will receive their tailored clothing back from the seamstress and have a chance to have their hair traditionally braided prior to departure.

DAY 10: DEPARTURE

Sadly, it's time to say goodbye! GLA staff will drive students to the airport, help them check into their flights, and see them off for the journey home. Students on the 21-day program will continue service at the school today.

TRAVELING TO TANZANIA

GLA HOME BASE | GLA operates one Home Base in Tanzania, which is located an hour from the Kilimanjaro airport in small villages. Accommodations are basic, but clean and safe. All students sleep in gender-segregated rooms with roommates, and have access to shared bathrooms with cold-water showers.

FOOD | Delicious Tanzanian meals will be served at Home Base, consisting mainly of meats, fruits, vegetables, rice, beans and ugali, a dough-like food staple that is typical in East Africa.

CLIMATE | Tanzania has a pleasant tropical climate, and during the dry season (July-October), there is virtually no rainfall. Humidity

is very low. Most days have a fine, clear sky and sunny weather, with cooler nights.

FLIGHTS | Most group travel clients opt to travel together on the same flight, whether that be a group booking or individually-purchased tickets. GLA's partner travel agency, StudentUniverse, can be a helpful resource in finding and booking flights that meet the groups' budget and logistical requirements.

LEADERSHIP

Global Leadership Adventures started as an educational institute, so we continue to think and act like educators—not tour operators—as we deliver life-changing programs. We intentionally weave a leadership curriculum into the daily experience on our programs. Through group discussion, meaningful service, workshops, speakers and excursions, staff guide students to reflect on program events through the lens of leadership, and celebrate outstanding examples of leaders they encounter in the local community. Lending this context to the experience creates opportunities for students to dig deep into their vision, purpose and knowledge of themselves and the world.

ABOUT GLOBAL LEADERSHIP ADVENTURES

Global Leadership Adventures was founded in 2003 by Fred Swaniker, a native of Ghana, TED Fellow and educational entrepreneur whose work has been praised by Barack Obama. Born as a global extension of the revolutionary African Leadership Academy, Global Leadership Adventures now operates programs centered around leadership, sustainable community service projects, and meaningful travel across Africa, Asia, Europe or the Americas. Through life-changing adventures, we strive to inspire the next generation to realize their potential to transform the world and their role in it.

Our Expectations

Be present

Our mission at GLA is “to inspire the next generation to realize their potential to transform the world and their role in it.” To that end, we expect GLA students to maintain high standards of personal behavior and to be open-minded. The culture may be different, sometimes shockingly so. GLA will challenge students as they are expected to work hard and be present physically and mentally for all activities. We also ask students to take a step back from regular use of technology - particularly their smartphones - so as to maximize their engagement with the program and their fellow participants. Students may get hot, dirty and bug-bitten along the way, but their contribution can transform the community. The goal is for each student to return home having had a life-changing experience.

No tolerance

GLA has a no-tolerance policy towards drugs, alcohol, tobacco and disruptive behavior. Those who violate or are suspected of violating this policy will be immediately dismissed from the program at the sole discretion of GLA staff.

Community-Led experiences

GLA makes every effort to offer thoughtfully crafted programs for teens and young adults. Detailed planning and exhaustive communications with partners are indispensable parts of our program development process. However, occasionally service and activities are adjusted from session to session, due to weather, changing needs of our local community partners and/or various cultural celebrations and customs. We expect participants to be open-minded and flexible, willing to embrace the experience when plans change. GLA makes every effort to communicate adjustments to students and families with advance notice. We expect you to be open-minded and flexible.

Mentorship

GLA is not a therapy program. Our staff are highly skilled, professional, caring and fun, but they are not licensed therapists. GLA programs can be physically and emotionally demanding, and applicants should be in good physical and mental health.
